And When We All Fall Down; Will the Sun Still Rise? Kyle McFadden

It happened in a small Missouri town...the military knew, the locals figured it out from the ghastly figures that stalked their land, but it was kept quiet. Joel Winters and his three best friends faced the horrors of Perdition and the human condition. A psychopath, a sociopath, and two men in denial, that's all the local news had to go with. But the evil of Perdition, Missouri has finally spilled into the rest of the world...and now it knows.... Before that four friends seeking escape found a sickness the world didn't know and tried to stop it before it spread... but failed in their attempt. This is their story, their pain, leaving only one question without an answer... 'When We All Fall Down Will the Sun Still Rise?'
