Open the door to career possibilities

It's never too early to start planning for the future. *Career Planning* takes students through a self-discovery process enabling them to find a meaningful career. Informative and appealing, the text mobilizes students to investigate careers that match their strengths, abilities, interests, and values. They also learn how to prepare for specific jobs and find out what additional education or training they need.

Career Planning goes the extra mile by covering a variety of skills job seekers need—reference gathering, résumé writing, communication, interviewing, working with others, and managing time. Best of all, the text shows students how to develop their own career action plans and portfolios. Includes numerous resources students can use in their pursuit of a satisfying career.
