He moved in a world of power and privilege. All of his life people expected greatness of him because of his noble birth. She was merely a young girl new to the country and different from any of the socialites who threw themselves at his feet. Their meeting was fated destiny. Falling in love with her was the unexpected consequence.

Crispin Maxwell had one meaningful affair. Though brief, he's spent a decade trying to forget the brief encounter with Keturah Jones. He failed. However, Crispin has found her again. And who she is now is a far different than the girl he once knew. How does he win the heart of someone who has evidently moved on? To do so Crispin sets into motion events that bring about disastrous results. But in the end Keturah Jones is his. Will she hate him for the lies, deceit or understand that he is the only man that can share in her passions. He's willing to gamble it all for her. And Crispin was born to win.

"Don't Leave Me This Way" is a torrid BDSM love/hate story. The sex scenes are explicit. The betrayals in the story are extreme. The characters and their motivations will be left to your interpretation. The story starts in the past and hurls the reader ten years to the future. If you aren't a fan of BDSM this book is not for you.
