Practically penniless, Tiffany Smith had nowhere to turn except to the gorgeous billionaire who offered his help. But at what price? Dashing banker Rafiq Al Dhahara did not believe she was an innocent fallen on hard times. Still, his distrust didn't stop her from falling for his charms...and into his bed for one passionate night.

Months later, Tiffany again found herself at Rafiq's mercy. She wanted him to know the truth about her pregnancy--but she didn't know the truth about this man. Until she did, getting him to believe *he* was the baby's father would be no small feat...for nothing short of a kingdom hung in the balance.
