United Kingdumb: Idiots from the British Isles

Leland Gregory

United Kingdumb: Idiots from the British Isles Leland Gregory

A new collection of outrageous, laugh-out-loud anecdotes about the weird and wacky activities of our British neighbors across the pond, by the author of New York Times best-sellers *Stupid American History* and *America's Dumbest Criminals*.

From absurd 911 calls to presidential philosophizing to his *New York Times* best-selling *Stupid American History*, Leland Gregory generates the best laughs by exposing the worst of human nature. Now, Gregory sets his sights across the pond to the United Kingdom to skewer Brits, Scots, Irish, and Welsh alike in *United Kingdumb: Idiots from the British Isles*.

In *United Kingdumb: Idiots from the British Isles*, Gregory turns his eye to countryside Britons, London aristocrats, kilted Scotsmen, leprechaun-loving Irish, and the wily Welsh, all of whom are a breed apart in their affinity for the idiotic and inane.

Because the stories Leland chronicles are just that unbelievable, each anecdote, quote, or factoid is presented with relevant background information--including its verified news source.
