A Killing Sky: A Frank Pavlicek Mystery Andy Straka

Ex-cop and avid falconer Frank Pavlicek is hired by the daughter of a philandering Virginia Congressman to find her missing twin sister. Is her disappearance related to her disintegrating relationship with her boyfriend? Or is it somehow connected to her ambitious father's re-election campaign, a tawdry sex scandal, and a hit-and-run accident that happened twenty years ago? Pavlicek's investigation unearths long-buried secrets that someone would like to keep six feet under...along with the PI's corpse.

The second novel in the blockbuster Frank Pavlicek series. An Anthony, Shamus, and Agatha Award nominee.

"Pavlicek is a breath of fresh air in the field of private eye fiction." Jeffery Deaver

"Highly recommended. I dare you to tell me I'm wrong," Michael Connelly

"A book this good, and this original, helps remind me why started I reading mysteries in the first place," Steve Hamilton

"Storytelling as sharp and strong as talons," Rick Riordan
