As I Wake Elizabeth Scott

A fiercely gripping narrative as only Elizabeth Scott can write!

Ava is welcomed home from the hospital by a doting mother, lively friends, and a crush finally beginning to show interest. There's only one problem: Ava can't remember any of them--and can't shake the eerie feeling that she's not who they say she is. As she struggles to break through her amnesiac haze, the only memories that surface take place in a very different world. Ava doesn't know what to make of these visions, or of the boy who is at the center of them all, until he reappears in her life and offers answers . . . but only in exchange for her trust.
