Commercial Law (Blackstone Legal Practice Course Guide) Robert Bradgate, Fidelma White

Commercial Law covers all the core areas of general commercial practice, including agency and distribution agreements; sale and supply of goods and services; international sales contracts; credit and security; bills of exchange; competition law; intellectual property law and commercial contracts including specimen sets of terms of sale and purchase.

Diagrams and examples ensure that the practical aspects of the subject area are emphasized, while the detailed coverage gives students a good introduction to the practitioner style texts they will use once in practice. Coverage of new cases such as *Aerotel Ltd v Telco Holdings Ltd and Others*; *Re Macrossani's Application* and *Lonsdale v Howard & Hallam Ltd* ensure that the most recent developments are considered, and providing students a well-rounded view of commercial law.
