In Her Words: Women's Writings in the History of Christian Thought

In Her Words: Women's Writings in the History of Christian Thought

In Her Words illustrates the contributions made to contemporary Christian theology by the increasing number of female theologians. Oden compiles selections from the writings of major female theologians from the early church through the present. The older selections have been translated into modern English. Each selection is accompanied by a brief introduction outlining its historical and theological context.

Selections from the early church include Perpetua, The Martyrdom of Crispina, The Martyrdom of Agape, Irene, and Chione; from the monastic and middle period are Clare of Assisi, Hildegard of Bingen, Leoba, Julian of Norwich, and Catherine of Siena; and post-1500 C.E. include Teresa of Avila, Jane de Chantal, Lucretia Mott, Elizabeth Cady Stanton, and Georgia Harkness.
