Experience the language learning method millions around the world have come to trust

Unlike most language learning systems, the Michel Thomas Method enables you to naturally and intuitively develop the building blocks for language comprehension. You can pick up French quickly and easily through listening, speaking, and thinking through the language. Guided by language teacher extraordinaire Michel Thomas, each CD takes you through an interactive lesson with two other learners. In less than two hours, you will have the ability to put together words and phrases together naturally and make your own sentences.
