Want to learn more about history, but don't think you have the time? Think again.

The Battle of Stalingrad was one of the most important campaigns of the war in Europe, inflicting huge losses on the German forces; losses from which they never really recovered. This is the story of a battle raged for almost seven months, and was often fought from street to street, with soldiers engaged in close quarters combat. By the end, the number of casualties reached around two million, including large numbers of civilians.

The Very Brief History series is intended to give the reader a short, concise account of the most important events in world history. Each book provides the reader with the essential facts concerning a particular event or person; no distractions, just the essential facts, allowing the reader to master the subject in the shortest time possible.

With The Very Brief History series, anyone can become a history expert!
