Dare Wilde is out. The McKinley family has ruined his relationship with Reagan for the last time. He's in Amsterdam, staying with his rock star brother Dash, ready to move on with his life and get Ree out of his head.

Finally, and for good. Problem is, he loves her.

So when fate leads Reagan to his door again, the two must decide whether their new-found love is worth the risk. Because two fractured parts can't make a whole, and they must face the demons of Reagan's past if they are to have a future together.

A muse and her artist. A star-crossed love.

Will the past catch up to them...or have they finally escaped?

This unique, angsty, art-infused novel series is like a sexy CW show. Perfect for fans of H.M. Ward, Jamie McGuire, and Jennifer L. Armentrout.

*This is episode 3 of a 5-episode new adult series. Each book in the series is like an episode of your favorite television drama, telling a full piece of a much larger story, ending on a cliffhanger and leading right into the next book. Due to mature subject matter (sexual situations and strong language) this book may not be suitable for all readers.
