Janie and Sally escape to the English countryside hoping to get some sun and relaxation. They soon become the focus of attention for the local farmers, who are well built, down-to-earth and very different from the boys they have been dating in town.

When Sally's ex-lover rents out a country house nearby, and Janie's childhood playmate Jack buys the farm next door, the girls are spoilt for choice as to whom they will leash their charms. But will everyone get what they want?

**From the best-selling author of *The Silver Chain*, part of the *Unbreakable* trilogy.**
