Emily Heart can't. She's something new - abducted and genetically altered, Emily is figuring out how to live in one time and place, when any burst emotion might send her across time and space or possibly blink her right out of existence.

Imagine never being able to trust your feelings - because you don't know where they'll lead. Even with reporter Jim Miller trying to keep her safe, Emily's fighting a losing battle.

Who is the strange Orange Man? What dangerous technology is in his briefcase? Jim Miller, Emily, and boyfriend Derek aren't sure they want to know - but the Orange Man is gunning for them anyway.

Then, breaking all her own rules, Emily Heart finds herself alone in a showdown with the worst kind of evil. Can she figure out how to use her time-jumping talents to save herself?
