Kamikaze Lust Lauren Sanders

Kamikaze Lust by first-time novelist Lauren Sanders takes the reader on an electrifying ride through the spectacle of life and death in millennial America. Smart, hardboiled and humorous, the novel taps our obsession with sex and death, sex and popular culture, sex and the written word, sex and pornography, sex and green M&Ms, and, of course, the perennial sex and love.

"Great courage must account for such complete disregard of political correctness, and great sensitivity for such sadness."

—Amanda Filipacchi, author of *Vapor* and *Nude Men*
