Winner of Second Prize in the 2013 International Rubery Book Award

'One of the best crime novels I have ever read' M. C. Scott, bestselling author of the Rome Series

CHRISTMAS, and it's the end of the road for Matt and Lauren Silver and their tempestuous marriage. Rock star Silver has been touring abroad once too often, neglecting Lauren and their twin daughters, Gudrun and Freya. In a desperate attempt to put things right, he cancels his tour and comes home - but instead of the reconciliation he longs for he triggers a tragedy which will shatter all their lives forever. In a terrible accident Gudrun is killed and Silver vanishes, assumed dead. In fact, badly injured, he disappears into the shadows of underworld London, desperate, traumatized, and unable to face what he has done. Lauren is crushed by guilt, and her surviving daughter Freya is so emotionally scarred that no-one can reach her.

No-one that is, except Inspector Sam Cobb, the detective sent to investigate the tragedy - a man with scars of his own. He reluctantly enters the Silvers' bleak world, but when he does he brings hope. Hope of recovery. Hope for the future. Hope of redemption.

Matt Silver, meanwhile, disfigured and desolate, has found comfort of a kind, thanks to the humanity of new and unexpected allies. Despite himself he has begun to heal, to grow stronger. To think of emerging from the shadows.

And because of this, for Sam Cobb, Lauren and Freya there will come a time when hope alone is not enough.

'An excellent read and Griggs keeps us guessing right up to the great twist at the end.' The Times
