Football: Play It Forward: A 10 Year Old's Goal of Peace Through Soccer Balls Mac Millar

This is Mac's first book. Not surprising, since he is 10. Inspired to create a soccer website, Mac sought a worthwhile purpose. This is the story of how Mac: built a website; raised funds; arranged for the Australian soldiers to take soccer balls to Afghanistan; met the Governor of Queensland; won a United Nations Association of Australia award; delivered soccer balls to the children of refugees in Australian detention centres and his experiences matching it with some of Australia's highest profile media personalities. About the Author: At the age of 9, Mac was inspired to send soccer balls to kids in need around the world. With a little bit of help from his family Mac achieved something quite astounding: soccer balls to kids in Afghanistan, Solomon Islands, Nauru, Manus Island, Zimbabwe and the children of refugees in Australian detention centres. Mac is a talented soccer player who one day wants to play for the Socceroos and Manchester United. He also loves playing cricket and tennis. Mac's philosophy is: One world. One game.
