Radical Islam is pursuing the souls of African American men. S.O.S Saving Our Sons: Confronting the Lure of Islam with Truth, Faith and Courage (Imani Books) urges the African American community to wake up and take action now. According to author Carl F. Ellis, Jr. there are five pivotal questions African American Christians must ask and answer: .What is Islam? .Why has Islam developed so successfully in the African American community? .How to protect our churches and communities from Islam's pursuit? .How should the Christian community respond to Islam? .What should be the Christian community's long-term goals? S.O.S Saving Our Sons: Confronting the Lure of Islam with Truth, Faith and Courage is a direct examination of the issues and responds to these and other critical questions with facts, suggestions and ideas that will help readers begin to address Islam's ever-growing challenge to African American congregations and communities.
