"This full arc of life—bigger than imagination in a raging fire—is set on paper by a poet obsessed with beauty, hooves, and the passion of flight....In Lifshin's language, spare yet metaphorically profound, we enter into that animal grace that only a true poet can convey, as we race on from poem to poem, joining Secretariat in triumph—'not for a win but a coronation.'" --Laura Chester

flaming wildly like  
those boughs of  
northern lights  
out of darkness
