In Spanish Conversation Book for Beginners and Spanish Conversation Intermediate I, we presented you with a variety of subjects within separate dialogues; each dialogue pertaining to one specific subject. In Spanish Conversation Book Intermediate II, we keep you entertained by following a young couple's journey through various sites in Costa Rica; presented to you in three different chapters with descriptions of the journey and dialogues. Here you will learn the Spanish language that we speak as we introduce you to an ample variety of reflexive verbs, as well as all the uses of the Present Subjunctive (in red bold type). In this book, you will find a unique opportunity to familiarize yourself with the way people in Central America and South America speak when relating to each other as you experience the use of the Present Subjunctive Mood. All right, you are now ready to learn a little more about the culture as you follow Peter and Marilyn on their journey. Well, let's get started then. Iris Acevedo A. Author/Founder
