Stillwater Creek Alison Booth

Alison Booth's dazzling debut, set in a beautiful coastal town of NSW, is an unforgettable, heart-warming novel about love and loss, betrayal and hope...

It's 1957 and, after the death of her husband, pianist Ilona Talivaldis and her nine-year-old daughter Zidra, travel to the remote coastal town of Jingera in New South Wales. Ilona, a concentration camp survivor from Latvia, is searching for peace and the opportunity to start anew. In her beautiful vine-covered cottage on the edge of the lagoon, she has plans to set herself up as a piano teacher.

The weeks pass, and slowly mother and daughter get to know the townsfolk - including kind-hearted butcher George Cadwallader, who is forever gazing at the stars; his son, Jim, a boy wise beyond his years; Peter Vincent, former wartime pilot and prisoner-of-war; and Cherry Bates, the publican's wife who is about to make a horrifying discovery.

For Jingera is not quite the utopia Ilona imagines it to be - and at risk is the one thing Ilona holds dear.

From reader reviews:

Michelle Sanders:

As people who live in the actual modest era should be change about what going on or data even knowledge to make these keep up with the era and that is always change and move ahead. Some of you maybe will certainly update themselves by examining books. It is a good choice for yourself but the problems coming to you actually is you don't know what kind you should start with. This Stillwater Creek is our recommendation to cause you to keep up with the world. Why, because this book serves what you want and want in this era.

James Dorman:

Exactly why? Because this Stillwater Creek is an unordinary book that the inside of the publication waiting for you to snap that but latter it will jolt you with the secret the idea inside. Reading this book beside it was fantastic author who have write the book in such wonderful way makes the content interior easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This excellent book will give you a lot of rewards than the other book possess such as help improving your expertise and your critical thinking way. So , still want to delay having that book? If I have been you I will go to the guide store hurriedly.

Thomas Smith:

Stillwater Creek can be one of your beginner books that are good idea. We all recommend that straight away because this book has good vocabulary which could increase your knowledge in words, easy to understand, bit entertaining but nevertheless delivering the information. The writer giving his/her effort that will put every word into enjoyment arrangement in writing Stillwater Creek yet doesn't forget the main place, giving the reader the hottest and based confirm resource data that maybe you can be certainly one of it. This great information can certainly drawn you into brand new stage of crucial imagining.

James Stevens:

Does one one of the book lovers? If yes, do you ever feeling doubt if you are in the book store? Attempt to pick one book that you never know the inside because don't evaluate book by its include may doesn't work is difficult job because you are afraid that the inside maybe not since fantastic as in the outside appearance likes. Maybe you answer might be Stillwater Creek why because the fantastic cover that make you consider with regards to the content will not disappooint anyone. The inside or content is usually fantastic as the outside or even cover. Your reading 6th sense will directly direct you to pick up this book.
