Dragon Lords: The Impatient Lord by Michelle M. Pillow
Bestselling Futuristic Shapeshifter Romance

An unlucky bride..

Riona Grey lives life on her own terms, traveling wherever the next spaceship is flying and doing what she must in order to get by. When her luck turns sour, she finds herself on a bridal ship heading to a marriage ceremony. A planet full of dragon shifters seeking mates wasn't exactly what she had in mind as a final destination. Just when she thinks things couldn't possibly get worse, she wakes up months later in an isolation chamber with a sexy, hovering dragon shifter by her side telling her they're meant to be together...forever.

The impatient groom...

After years of failed marriage attempts at the Breeding Festivals, the gods finally revealed Lord Mirek's bride...a day too late. Eager to have her, he defied tradition and laid claim. But it is a mistake to go against the gods and his new wife was the one to pay the price of his impatience.

Now almost a year later, his bride is finally waking from her deep sleep. With one look from her, he feels the eagerness to claim her overtaking him once more. Fearful she'll slip through his grasp once again, he's hesitant to anger the gods by taking her to his bed too soon. But, how can he resist the one thing that would make his life complete, especially when she looks at him with eyes of a seductress? This is one test he can't fail, and yet with one of her sweet kisses he knows he may already have lost.

This book is intended for adults.
