A Bilingual Concordance to the Targum of the Prophets: Isaiah, Ayin-Taw (Bilingual Concordance to the Targum of the Prophets, 11) (Hebrew Edition)

A Bilingual Concordance to the Targum of the Prophets: Isaiah, Ayin-Taw (Bilingual Concordance to the Targum of the Prophets, 11) (Hebrew Edition)

The bilingual (Aramaic-Hebrew) concordance to the Targum of the Prophets is the product of an international project based in the Theological University of the Reformed Churches in the Netherlands, Kampen (ThUK) and supported by the Netherlands Organization for Scientific Research (NWO). With this publication a major research tool becomes available to those engaged in Biblical and Jewish Studies. For the first time meaningful quotations from the Targum and the Masoretic Hebrew text of the Bible are set out in parallel so that the user of the concordance can study the translation technique of the Targum in much greater detail than was hitherto possible. For comparative purposes the concordance is published per book of the Prophets. Eventually a complete concordance will become available in electronic form. The concordance makes a wealth of largely unknown material accessible to researchers. The discovery of the presumed-lost Song of the Lamb, referred to in Rev. 15:3, by members of the editorial team vividly illustrates the importance of such a concordance to both Judaic and New Testament studies. The concordance will also be an indispensable tool for the textual criticism and the history of interpretation of the Hebrew Bible. To facilitate consultation on the basis of the Hebrew, every concordance per book contains a Hebrew-Aramaic index. The final volume will contain additions and corrections, a cumulative Hebrew-Aramaic index, as well as an English-Aramaic index.
