#### Advance: Exodus: Book One Gun Brooke

Admiral Dael Caydoc heads up the Advance Fleet to find a new homeworld for the Oconodian people. Joined by Commander Aniwyn "Spinner" Seclan, larger-than-life, reckless, and not Dael's first choice as CAG, Commander of the Air Group, she has to admit Spinner is a brilliant pilot.

Spinner finds Admiral Caydoc an uncompromising, rigid, pain of an officer in the Oconodian Space Fleet. Dael is also the most stunning woman Spinner's ever met. When the two women clash immediately, it only confirms her suspicion it's going to be hell to work with a woman who both exasperates and attracts her.

While running into countless dangerous situations, Dael and Spinner realize they have more in common than they thought. It takes brave words of love for them to persevere when disaster strikes, and it's up to Dael and Spinner to save the future for the people of Oconodos—and each other.
