**Azul ruso (Voces/ Literatura nº 129) (Spanish Edition)** Patricia Esteban Erlés

Un libro que descansa sobre alegorías e imágenes poderosamente estructuradas, con una fuerte vocación narrativa y estética, bajo un orden que lleva de la mano al lector, saltando de universo en universo, donde lo fantástico y lo terriblemente real se dan la mano. Los relatos de Esteban Erlés desequilibran al lector, lo sumen en tonalidades azules e invitan a pasear entre personajes frágiles, que conviven con la ensoñación, con mundos truculentos que se transforman o se destruyen, con seres felinos, reales y soñados. Una misteriosa mujer que convierte en gatos a sus amantes, un superhéroe venido a menos, una iguana que condiciona la vida de una pareja, el desasosiego del que espera una llamada o el poder de la criptonita en manos de una mujer con gato albino. Trece relatos que sitúan a Patricia Esteban Erlés como una de las principales voces del cuento de esta primera década de siglo.
