## **Doña Lucia (Spanish Edition)** Alejandra Matus

"Lucía ha sufrido la condena de vivir demasiado. Vivir para soportar la pérdida de poder y la soledad de los salones que construyó para desplegar el esplendor de sus trajes de princesa. Vivir para presenciar la desintegración de su familia. Vivir para experimentar el rechazo de la clase a la que tanto quiso pertenecer y percibir cómo aquellas mujeres que se le inclinaban ahora se ríen a sus espaldas, comentando sus gustos kitsch y su falta de refinamiento. Vivir para ver frustrados sus sueños de convertirse en una especie de Eva Perón, amada por los descalzos".

¿Cuánta fue la influencia que Lucía ejerció sobre su marido? ¿Cuáles eran los ideales que ella perseguía? La investigación de la periodista Alejandra Matus revela -alejada de la caricatura- los detalles de la vida de quien fuera, por 17 años, la mujer más poderosa del país.

Es la crónica de quien lidió con los bemoles de la maternidad, con el despecho que le provocó un marido infiel y con las aspiraciones -más o menos cumplidas- de reconocimiento y gloria.

Lucía Hiriart fue capaz de construir un reino a su escala, con sus reglas, sus caprichos y su séquito. La esposa de Pinochet no fue solamente la mujer detrás del poder: tuvo, también, una personal mirada de cómo debía ser Chile, la que ejecutó a través de CEMA, su propio ejército.

Una biografía apasionante que supera la contingencia política y que escarba en la trastienda más íntima de la dictadura.
