Guide to Chamber Music (Dover Books on Music) Melvin Berger

"Not only worthwhile but so beautifully written and so informative that it should be in every chamber music lover's library." — *Los Angeles Times*. Authoritative, beautifully written guide presents 231 of the most frequently performed pieces of chamber music by 55 composers. For each, the author gives a brief biography, followed by discussions of the individual compositions — both their historical and musical contexts and their salient features, including formal organization, content, and any extramusical associations. "No lover of chamber music should be without this Guide." — *John Barkham Reviews*. Preface. Glossary.
