Muscle and a Shovel is a raw and gritty true story about a pair of young newly-weds who move to the city to chase the American dream. In the process they're befriended by a man who turns their belief about God, their church, and their faith upside down! Baptists, Methodists, Presbyterians, Catholics, the Community Churches - none are spared when Truth is at stake and their new friend Randall isn't about to "candy coat" God's Word for the sake of "political correctness" or "religious tolerance." This story will grip you from opening to close and will stimulate your spirit on levels you didn't think possible. Get ready to fight or flee because Muscle and a Shovel is one of those rare books that will raise your heart-rate and your blood-pressure. You won't want to wait to share it with your friends or you'll want to douse it in gasoline and set on fire! There'll be no middle ground. Many Christian reviewers have said, "This book will turn our current religious world upside-down!"
