Our Household Secret: My Initiation: A Forbidden Taboo Erotic Tale Jade K. Scott

When Mama married into a household of guys, I was a little apprehensive. Ever since we were left on our own when I was three, it had just been her and me.

Her new husband, Harry, seemed like a nice guy. Maybe a little too nice. I always thought he was too good to be true. And his two boys were both super sexy and very well mannered.

Little did I know that they were preparing me... grooming me... to be initiated into a secret lifestyle that I never expected. It would lead to a life of keeping secrets, being controlled, being punished. Little did I know... I would love every minute!

And after she and Harry got divorced, we had plenty of alone time, because I decided to stay with Harry and his boys!
