The Holy Spirit or Another Spirit?: Compromise, Infiltration and Deception in the Church Lorna Singh

Has Christianity been infiltrated by other spirits?

The Bible clearly warns of deception in the last days through false teachers, false prophets and counterfeit miracles. The frightening nature of deception is that those who are deceived do not know they are deceived and are often aggressively confident in their experience. The church is witnessing a redefinition of spirituality and with demonstrations of power evident the question must be asked, "Whose power?" With this in mind this book investigates the ancient magical arts e.g. shamanism, sorcery, divination, witchcraft and the like in relation to practices and doctrines held in the church to discover is what we are witnessing the work of the Holy Spirit or other spirits masquerading as the Holy Spirit?
