## **The Works of Julius Caesar** Julius Caesar

This a presentation of the works of Julius Caesar in English translation. This includes his Gallic Wars and Civil Wars, plus three shorter works. Beyond its importance as a source document for military and Roman history, Caesar's clean prose style has long made his Gallic Wars the text of choice for second-year Latin. It is also of interest because of his first-hand observations of the Celtic tribes that he was waging war on. For instance, Book 6 contains a long passage about Gaulish society, the Druids, and his famous description of the original burning man ritual.
