Desert Blues: a chapbook

Sara Anderson

Desert Blues: a chapbook Sara Anderson

Sara is a long-time enthusiast of the written word and a participant in several poetry events, such as the 2015 24-Hour Poetry Marathon and a poetry anthology entitled “Where the Mind Dwells,” and she is also a contributing member of the online global writing group Some Poets. Together, they have published three books thus far, the anthology 19,751 words, and two chapbooks, Wicked. Words, and Love. Letters. The lyrical series of poetry and prose in this, her first solo publication, centers around the life of a young woman in a great desert town, family bonds, depression, love, and the emotion ride of a life lived with the everyday of desert blues.

From reader reviews:

Mary Sexton:

In this 21st centuries, people become competitive in each way. By being competitive today, people have do something to make these people survives, being in the middle of often the crowded place and notice simply by surrounding. One thing that often many people have underestimated that for a while is reading. That's why, by reading a e-book your ability to survive increase then having chance to stand up than other is high. For you who want to start reading a book, we give you this particular Desert Blues: a chapbook book as nice and daily reading reserve. Why, because this book is usually more than just a book.

Gail Boutwell:

Playing with family inside a park, coming to see the ocean world or hanging out with good friends is thing that usually you may have done when you have spare time, subsequently why you don't try matter that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love Desert Blues: a chapbook, you may enjoy both. It is fine combination right, you still desire to miss it? What kind of hang-out type is it? Oh seriously its mind hangout folks. What? Still don't understand it, oh come on its identified as reading friends.

Linda Williams:

Reading a book being new life style in this season; every people loves to go through a book. When you study a book you can get a lots of benefit. When you read textbooks, you can improve your knowledge, simply because book has a lot of information into it. The information that you will get depend on what forms of book that you have read. If you want to get information about your review, you can read education books, but if you act like you want to entertain yourself you are able to a fiction books, this kind of us novel, comics, as well as soon. The Desert Blues: a chapbook will give you a new experience in examining a book.

Julie Gooch:

In this age globalization it is important to someone to acquire information. The information will make a professional understand the condition of the world. The health of the world makes the information easier to share. You can find a lot of references to get information example: internet, paper, book, and soon. You can view that now, a lot of publisher which print many kinds of book. The particular book that recommended to you is Desert Blues: a chapbook this publication consist a lot of the information of the condition of this world now. This kind of book was represented just how can the world has grown up. The dialect styles that writer use to explain it is easy to understand. Typically the writer made some exploration when he makes this book. That is why this book suitable all of you.
