**Instead of wearing the pants in the house,  
Kenny now wears the panties.**

**The bra. The stockings. The long, silky, wig.  
And the high heels.**

Kenny Davenport has had to submit to a lot of changes since his wife became the sole breadwinner.

But, doing the housework in heels, though difficult, has its rewards. He likes the way the lift accents his calves and the curve of his smoothly-waxed little butt.

Not the life Kenny imagined for himself, but he has learned to accept it. Even —he must admit —to enjoy it.

Until a day comes that the neighborhood brat: bossy little blonde Carley, returns home from her first semester at college for a visit.

And brings her handsome, athletic, new boyfriend Travis

With his secrets dangerously close to exposure, this house husband will have to satisfy both college-age adults—or pay a most humiliating price.

*Note: House Husband is a stand-alone series that takes place sometime after the events in Office Wife Book 3. It is not necessary to have read that series in order to enjoy this story about what a naughty husband gets up to while his wife is away at work.*
