In *Re-Making Love*, Second chances are the stuff of dreams. Nearly everyone has at least one relationship they wish they might have had another chance to save, another opportunity to make right. We have all suffered the loss that a missed opportunity or a miscommunication has cost us.

But what if you had a chance to fix the problem, the possibility to correct an error that cost you dearly – would you take that chance? And at what cost would such a chance require?

In *Passage*, Lynn was tired of working in the garden, outside of her late grandmother's house, and she was about to get some tea when she had a chance encounter with fate instead. His name was Tom, or Tomas, and though he had the perfect smile and tailored suit, he was the worst vacuum salesman in the world. He didn't even know that it had to be plugged in to turn it on.

Murder in San Sebastian is a thrilling new story set in the small, beach town of San Sebastian. It is a quiet and beautiful place where many go to relax. It is the perfect kind of place for someone like Annie Walker, a writer from busy London seeking new inspirations and sanctuary. It is the perfectly quiet and gorgeous environment that becomes her favorite place to holiday, year after year. It is there that she meets Luke Russell, a wealthy man in his mid-30s with plenty of natural charm. They become close but despite his subtle pursuit of her, she never gives in. She only thinks of him as a friend.

In *Untamed Heart*, Dana Irvine is a wild child that likes to push the envelope when it comes to driving fast cars, jumping off cliffs and just about anything that makes her adrenaline rush. She remembers the one that got away. They had a brief and meaningful encounter that ended with him gone and her with a hickey that lasted forever. She never thought that a man could affect her like that, but he did. It had been six months since Chris had vacated her life, when she started to see changes in the way that she behaved. Where she was into adventure, she now takes foolhardy risks that makes most people cringe and look the other way.

In *Snow Fall*, Sebastian Lesueur, extraordinarily handsome, billionaire has more than a few secrets. His passion for women keeps him moving between his many mansions all over the world. After centuries of different lovers, he's never found one he wanted to keep with him for the eternity that is his to live. Though a fairytale life on the outside, he lives a lonely existence. While staying in New York, he finds a woman who intrigues him more than any other ever has. Snow Sinclair is a savvy business woman and has no intentions of giving in to the well-known playboy. Her determination to keep him only as her client proves harder for Sebastian to penetrate than he imagined. What she believes is only a lust for her proves to be much more than Sebastian ever thought possible for his eternal life. If only he could get her to agree, for she would not be one he takes or transforms against her will.
