Chinese astrology has twelve zodiac signs. Each sign lasts for a year, based on lunar cycles. Each year is assigned an animal with its own set of traits and compatibilities.

Beginners Guide to Chinese Horoscopes is a step-by-step introduction to this fascinating art. It is easy to follow and clearly explains;

- The history of Chinese astrology and how it relates to its Western cousin.
- The character delineations for the twelve signs, and lists the years ruled by each.
- The use of the Five elements and their cyclical ruler-ship of years.
- How to analyse romantic and business compatibility between the signs.

Learn more about yourself with this fascinating introduction to this ancient Chinese art and use your knowledge to determine general trends and future goals.
