First Response (TREX Book 1) Allie K. Adams

USA Today bestselling author Allie K. Adams brings you a brand new romantic suspense series.

Introducing TREX--a tactical retrieval expert agency. They find whatever's been lost. No matter the danger. No matter the cost.

When opportunity knocks...

TREX Special Agent Spencer Allen has been waiting to take the lead since he first started with the covert agency. He's earned his place as his team's CO and is given a mission that could make or break his career. The night before he deploys, he decides a little R&R is in order. He meets the CEO of the search and rescue group TREX contracts with, takes her home, and they have an unforgettable one-night stand, despite TREX's strict policy not allowing agents to get involved with members of competing agencies.

The response is everything...

Kat Davis didn't expect to be swept off her feet by a member of the egotistical men-in-black agency that orders her agency around on searches. He says all the right things, touches her in all the right ways, and makes it impossible to resist him. It's only one-night, she reasons. She's not ready to commit to more than what they've already had together and quickly retreats, leaving Spencer confused and angry.

Spencer completes his mission and has a decision to make--one that could give him an ounce of happiness, the other the right thing to do. Will he do the right thing? Or do what's right?

"If you are looking for nonstop, heart-racing action and sizzling romance, look no further. Allie K. Adams will take you there--and more!" --Lucy Monroe, USA Today bestselling author
