Hot in the Saddle (Heroes in the Saddle) (Volume 1) Randi Alexander

Horse wrangler and off-duty firefighter Treven Arnett is the person closest to Delta Pennington's racecar when it bursts into flames and spins onto the infield. Without a thought for his own safety, Treven reaches in and releases her, pulling her out to safety before her stock car is consumed by fire. Delta looks up into the face of the cowboy who risked his life to save her, but as his eyes cloud over, she notices his severe injuries. She insists on staying and working his small horse ranch until he's recovered, but the sexy cowboy makes it impossible for her to keep away from his hot loving. Serious daydreams of relocating to this quiet part of Texas surprise Delta as she and Treven grow more attached to each other. When Treven learns that Delta has ulterior motives for her visit to his town, his anger explodes and he kicks her out. But someone else is angry with Delta: incensed enough to have tampered with her racecar. Does Treven care enough for Delta to overlook her deceit and step back into her life to help find the culprit?
