## **My Baby Journal** Anthea Peries

- pink baby girl design cover. - pages divided by day (30 days). - perfect for writing, notes, thoughts, doodles and sketches. - blank lined journal with decorative icons inside. - childhood keep-sake to add photos, and other special tokens. - part of a beautiful collection of baby journals in a variety of covers. - perfect as a gift. - makes a great personal baby journal. - compact size: 8" x 10". You know how easy it is to forget so many precious moments? Whether it is your first baby or one of many, this journal will enable you to keep a record of your experiences with your new born. There is plenty of space for writing a daily diary of activities with baby, especially your thoughts and feelings. This Journal will make the perfect gift for a friend or a treasured keepsake of your own to look back on over the years. Having a new baby is a wonderful time guaranteed to be filled with wonderful new experiences, awesome things to do with baby and lovely memories. It is so easy to forget some of the incredible details of babyhood that made your memories so very special. That is where this journal with specially designed pages for you to scribble down all those key points such as: day or date; location; what happened; where you visited to relive the memories. There are enough pages to record a month of adventures with baby and plenty of space to store details of new experiences; what you did, when and where you were, appointments, including blank pages for doodling if you have any spare time! There are no cluttered areas so you only record details of what you want to record and your amazing time with baby. If you want to jot down important information you can do so too. This spacious journal can become part of a collection of great memories, with self-reflective thoughts and questions that you may not have room to fit in a normal pocket sized diary, all in one place.
