## Cozy Murder Mystery

So far, it has pretty much sucked.

And unfortunately, it's about to get worse. When she catches attractive neighbor Maddox out in a horrible rainstorm, Jade invites him in out of the cold, only to see scratches on his arms. Maddox is pleasant and polite, but even Jade can see that something is wrong. When she learns the next day that an old lady was murdered in her cottage, Jade has a sinking feeling that she knows who's to blame.

When another body crops up soon after, Jade sets out to find the truth. After all, how much worse could this vacation get? She might as well tramp over the heath and figure out what's going on.

But all this poking about is going to put her squarely in the killer's sights. And now that they've murdered twice, they're not going to stop until all of their enemies are dead.
