Scrambles in the Canadian Rockies Alan Kane

The original edition of *Scrambles in the Canadian Rockies*, published by RMB in 1991, started a scrambling craze in the Canadian Rockies. No longer was reaching the top of those breathtaking peaks limited only to technical climbers; strong hikers with a sense of adventure found that they too could reach the top of many famous and stunning peaks.

Armed with first-hand information, Alan Kane describes over 170 scrambles in a clear, concise format. This includes equipment needed, when to go, how to get there, where to park and what to expect as you work your way to the summit. Photos showing the ascent line complement descriptions that include historical trivia, origins of placenames and summit views. Routes range from off-trail hiking suitable for strong hikers to challenging routes at the low end of technical climbing where use of specific handholds is required on steep, airy terrain. Most ascents are day trips from a major road; many utilize a hiking trail on approach and include some of the most-photographed Rockies postcard peaks. The scramble areas begin in Waterton Park near the US border and continue north through Crowsnest, Kananaskis, Canmore and into the contiguous mountain parks of Banff, Yoho, Kootenay and Jasper. An overview of facilities, accommodation and climate is provided for each area. Specific hazards from rock quality to wildlife encounters are mentioned, including advice on scrambling safely. Guidebooks can be dry reading, but Kane's snippets of humor make the book entertaining as well as useful.

From reader reviews:

Thomas Fleischmann:

Nowadays reading books become more than want or need but also turn into a life style. This reading behavior give you lot of advantages. The advantages you got of course the knowledge the rest of the information inside the book this improve your knowledge and information. The data you get based on what kind of e-book you read, if you want get more knowledge just go with knowledge books but if you want truly feel happy read one together with theme for entertaining for instance comic or novel. The actual Scrambles in the Canadian Rockies is kind of reserve which is giving the reader unstable experience.

Alva Sexton:

The book Scrambles in the Canadian Rockies will bring one to the new experience of reading some sort of book. The author style to spell out the idea is very unique. In the event you try to find new book to read, this book very suitable to you. The book Scrambles in the Canadian Rockies is much recommended to you to learn. You can also get the e-book in the official web site, so you can easier to read the book.

George Bash:

That guide can make you to feel relax. This particular book Scrambles in the Canadian Rockies was colourful and of course has pictures around. As we know that book Scrambles in the Canadian Rockies has many kinds or style. Start from kids until young adults. For example Naruto or Private eye Conan you can read and feel that you are the character on there. Therefore , not at all of book tend to be make you bored, any it offers you feel happy, fun and relax. Try to choose the best book for you personally and try to like reading which.

Aida Zambrana:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Scrambles in the Canadian Rockies can make you truly feel more interested to read.
