Terrible Old Games You've Probably Never Heard Of Stuart Ashen

Terrible Old Games You've Probably Never Heard Of is a full-color illustrated compendium of the most painfully bad games, based on Ashen's YouTube series of the same name. Everyone's heard of E.T. for the Atari 2600 and Superman for the Nintendo 64, but these are almost nothing next to the abject incompetence of Count Duckula 2 on the Amstrad CPC. There are people who seriously believe that Shaq Fu is the worst fighting game ever made, having never experienced Dangerous Streets on the Amiga. This book will *blow their very soul apart*. (Not a guarantee.) *Terrible Old Games You've Probably Never Heard Of* is meticulously researched and written, with the dry humor you'd expect from a man who has somehow made a living by sticking rubbish on a sofa and talking about it. Each entry is accompanied by a series of full-color images from the games.

From reader reviews:

Nicholas Mishler:

Book is to be different for every grade. Book for children until adult are different content. To be sure that book is very important for us. The book Terrible Old Games You've Probably Never Heard Of has been making you to know about other know-how and of course you can take more information. It is rather advantages for you. The reserve Terrible Old Games You've Probably Never Heard Of is not only giving you far more new information but also to become your friend when you truly feel bored. You can spend your personal spend time to read your guide. Try to make relationship using the book Terrible Old Games You've Probably Never Heard Of. You never really feel lose out for everything in case you read some books.

Stephen Mosley:

As people who live in often the modest era should be change about what going on or data even knowledge to make them keep up with the era which is always change and move forward. Some of you maybe can update themselves by reading through books. It is a good choice for you personally but the problems coming to anyone is you don't know what kind you should start with. This Terrible Old Games You've Probably Never Heard Of is our recommendation to make you keep up with the world. Why, because this book serves what you want and want in this era.

Anne Shibata:

Your reading sixth sense will not betray you actually, why because this Terrible Old Games You've Probably Never Heard Of reserve written by well-known writer who knows well how to make book that may be understand by anyone who also read the book. Written with good manner for you, leaking every ideas and publishing skill only for eliminate your own hunger then you still question Terrible Old Games You've Probably Never Heard Of as good book not just by the cover but also with the content. This is one reserve that can break don't assess book by its handle, so do you still needing an additional sixth sense to pick this!?! Oh come on your reading sixth sense already alerted you so why you have to listening to an additional sixth sense.

Ronald Canty:

Is it anyone who having spare time in that case spend it whole day by watching television programs or just telling lies on the bed? Do you need something new? This Terrible Old Games You've Probably Never Heard Of can be the respond to, oh how comes? A book you know. You are thus out of date, spending your time by reading in this completely new era is common not a nerd activity. So what these books have than the others?
