This book is a thoughtful 'in depth' Bible study guide, that will take you along a spiritual journey of biblical revelation to deepen your understanding and lead you to an anointed Christian life. There are many pictures and types found in God's Word concerning the anointing of the Holy Spirit, but none better than that of oil. This study guide will show you from the scriptures that God has placed His anointing inside your life. It will also show you what God requires for you to increase, develop and release it through ministry to others. You will be encouraged to live your life in close relationship with the Lord, and instructed in God's requirements to be able to minister with an authentic anointing oil.
