Discover What Women Want in a Man and How They *Secretly* Test You For it

If you pay close enough attention to what really attracts women, you'll find that what women want is a man with a backbone. Women want to be with a man who knows how to take the lead and make decisions; one who has strong personal boundaries and knows how to love her like...a man.

Unfortunately, a lot of men have difficulty accepting the truth that many women prefer to be with a man who isn't afraid to stand up to them, who challenges them, and who refuses to be pushed around by women (or anything else for that matter). This is especially true of women who seek a more traditional male-female gender role dynamic in their romantic relationships.

Even if a man knows how to attract women, cultivating a mind-blowing relationship with one requires a different set of skills entirely. Women want men who can make them feel secure – men with strong boundaries and unwavering commitment.

Sadly, most dating and relationship books rarely show men how to keep a woman happy without them having to sacrifice their manhood in the process.

How to Understand Women and Pass Their Tests With *Unshakeable* Confidence

Men around the world have no idea that the women they know and love are testing them. These men go about their lives interacting with the opposite sex in absolute darkness, ignorant to the fact that they're being judged, appraised, approved, and rejected based on their subconscious reactions to female testing.

If you had no idea that women test men and why they have to, you're about to take a journey onto a road less traveled – the more mysterious side of female psychology and how women think.

Attract Women Through Authenticity and Be the *Strong* Man a
