**Construction Project Administration in Practice (Chartered Institute of Building) A.A Kwakye**

*Construction Project Administration in Practice* provides a practical guide to the administration of construction projects, from inception to completion. It is intended to give an overall view of the construction process, its problems, risk and uncertainties in one volume. Drawing on his experience both as a lecturer and a quantity surveyor the author takes the reader stage by stage through the entire construction process to show how the project should progress to a successful conclusion.
