Kiss Me, Kate (Madison Girls Book 1) Mari Carr

Blindsided when her husband skips town with another woman, Kate is forced to move in with her sister. Desperate to get out of Jill's apartment, Kate jumps at the chance to help Rick and Wes, DEA agents whose latest case finds them in urgent need of a house-sitter while they're off on assignment.

As the months pass, a stronger Kate emerges. She develops an email friendship with Rick, and it isn't long before they secretly begin starring in each other's lust-filled fantasies. Problem is, after her failed marriage, Kate only wants a physical relationship. She's terrified of losing her heart—which is exactly what Rick intends to capture upon his return.

They reach a compromise. One that involves explosive, no-strings sex—for now. Rick patiently deflects her fears and slakes her passion while keeping his darker, dominant needs in check, afraid of scaring his innocent lover. But unbeknownst to Rick, Kate has a few untapped fantasies of her own.

Kiss Me, Kate was previously published.
