Laughing at Obama: Volume I Scott Ott

From the moment he appeared on the national stage, through his inevitable nomination, to his historic election, triumphant coronation and landmark first year in office, Barack Obama has possessed everything a great leader needs...save one. His only inadequacy has been the dearth of citizens willing to openly laugh at him. ScrappleFace.com editor Scott Ott's newest work, 'Laughing at Obama: Volume I' fills that void and provides readers of all political stripes with their just entitlement...our generation's great American birthright, to mock Barack Obama.
