Tipping the Scales of Justice: *How Will "We the People" Respond?*

Reflections based on thirteen years in Federal Bankruptcy Court and NY Supreme and NJ Superior State Courts, and the expenditure of in excess of \$1.6 million:

"Without Truth there can be no Justice; Without Justice the Truth becomes irrelevant."

Being a Nation ruled by "law", the greatest danger to the future of America and to the preservation of our individual freedoms is from within our borders, from those who make the laws (Congress), those who enforce the laws (attorneys, judges, courts), and those who administer the laws (President and Chief Executive, Commander of the US Armed Forces) governing these United States.

This book reveals a legal system which no longer seeks truth and justice as its primary objective, but simply oversees an "adversarial competition" favoring the guilty under the guise of fairness or legal necessity. The Author carefully chronicles his extended 13-year court experiences, to identify what he believes is both the root cause of our current major problems in the U.S. and the primary reason for the now diminishing prior greatness of these United States of America: REPLACING "THE BIBLE" AND "THE CONSTITUTION" AS THE BASIS OF U.S. LAW AND ORDER, WITH EVOLVING HUMAN VALUES.

In Chapter 13: Summary of Lessons Learned, the Author sets forth "Five Guiding Principles" which he believes can return America to its role as God's "light on the hill". With all due respect, the Author believes the key US problem today is *not* the "economy" - and whether it has "cyclical" or "structural" problems - but the deterioration of the moral and character values of individual voting Americans, from those most prized by the Founding Fathers. The Statue of Liberty no longer beckons any and all to experience a "rebirth" and become a part of "**One Nation under God**". Instead, political strategies stress diversity and class warfare for personal political gain in direct conflict with God's Inspired Word (the Bible).

A striking comparison between the current problems the Author experienced in the US "Legal" System and those now facing the US Federal Government is presented. From Table of Contents:

Chapter 3: The Plot - Eight Stories in One Book

(Finding Legal Authority to Support Fraudulent Wrongdoing)

"The Common Thread"

Story 1: Financial Misrepresentations to Investors

Story 2: Unsustainable "Free" Services

Story 3: Self-serving Bankruptcy "Professionals"

Story 4: Deceitful Third Party Lender

Story 5: Survivor Instincts/Conflicts of Interest

Story 6: Profitable PPM/ "Confirmation" Solution Torpedoed

Story 7: Unscrupulous "Lien" Attorneys

Story 8: The Ultimate Double-cross

The Author believes that all of recorded history, and particularly that of these United States (see Chapter 19), has clearly demonstrated that **only the teachings of Christ put principles and service ahead of self; and only adherence to His values produces citizens capable of preserving the US Constitution and the Founding Fathers' visions for America.**

Lest we forget and our children never know the blessings which flow to a "Nation under God", it is imperative that "We the People" return God's truth and justice to the US Legal System, and insure that young and old alike are educated about our Christian Heritage and the balance of Powers set forth in the US Constitution: that individual rights and freedoms are never "stolen" by Legal gimmicks, Judicial rulings, bureaucratic rules and regulations, or unilateral Presidential Orders.
