## **Shadow the Darkness (The Dark Series Book 4)** L A Wild

Everything I thought I knew is wrong. The truth has been uncovered, and it's far worse than I ever could have imagined. But with the sexy-as-hell Black battling by my side, we can fight demons, destroy Marinus, and fix the world.... Yeah, I got that wrong, too.

Seven years ago, I identified my sister's body and discovered she was four months pregnant when she was murdered. Less than twenty-four hours after that, my family's ugly secrets began to unravel. And they keep on unraveling.

Seven powerful keys created from the depths of hell, an ancient tome, and an object to control all that power. Crazy, right? Not nearly as crazy as the insufferable goddess occupying one-half of my mind, imprisoned behind a crumbling barricade, which when it falls—and it will fall—she'll be free to singlehandedly destroy the human race. I can't let that happen.

I must fix the mistakes of my past. But to do so, I have to revisit the beginning, go back to where it all began to figure out how this ends. But when I do, only then does the horrifying predicament of my situation truly dawn.

Shadow is the fourth instalment of The Dark Series
