In September 2009, twenty-one members of the Haida Nation went to the Pitt Rivers Museum and the British Museum to work with several hundred heritage treasures. Featuring contributions from all the participants and a rich selection of illustrations, *This Is Our Life* details the remarkable story of the Haida Project - from the planning to the encounter and through the years that followed. A fascinating look at the meaning behind objects, the value of repatriation, and the impact of historical trajectories like colonialism, this is also a story of the understanding that grew between the Haida people and museum staff.
