Vulnerability: Blessing in the Beatitudes (Gospel for Real Life) Brad C. Hambrick

We do not like to be vulnerable. It makes us feel defenseless and opens the door to being hurt. But, as difficult as it may be, vulnerability is necessary for us to be loved by others and is a healthy character trait when it leads us to take risks for God's glory. So how can we grow in the kind of vulnerability God wants us to have?

Brad Hambrick offers a study of vulnerability from an unexpected source: the Beatitudes. He takes us through an examination of each one, highlighting what it says about vulnerability and helping us come to terms with our struggles with it. He also brings encouragement, giving us ways to reflect on and begin implementing these teachings on vulnerability in our own lives.

Learn from the Beatitudes how blessed it is to be vulnerable and how to pursue vulnerability in your life. The Gospel for Real Life booklet series by the Association of Biblical Counselors (ABC) applies the timeless hope of Christ to the unique struggles of modern believers.
